GUIDELINES FOR LIGHTNING TALK PRESENTERS

General Guidelines

➤ **Registration:**

Presenting authors **MUST** register for the conference by **Wednesday 26 June 2024**, to present and have their abstract published in the final programme. Click [HERE](#) to register now. The location of your presentation will be published in the final programme, which will be published in the Conference App.

➤ **Presentation Length:**

For a 10-minute lightning talk presentation, we recommend **7 minutes of presentation** and **3 minutes for questions** and audience discussion.

➤ **Preparation:**

You will have to produce an **electronic poster** as supporting material. Further guidelines on how to submit your material will be sent soon **by E-PostersLive**.

➤ **Session Chair:**

The chairperson of your session will be in contact before the conference to introduce themselves. Please meet the session chairperson at your presentation area **at least ten (10) minutes before your session starts**.

➤ **Rules and Regulations:**

All presentations must be made in English. The use of an interpreter is not permitted.

Please ensure there is no material within your presentation which could be seen as marketing a commercial product or Programme.

➤ **Waiver**

Submission constitutes your consent to the publication of your session outline and any presentation. **Please inform us if you do not wish your presentation to be posted** on the ISQua website following the conference.

We look forward to meeting you in Istanbul and remain available for any further information you may require.

On behalf of the ISQua's Istanbul Scientific Programme Committee,
