

**Angie Hamson**

Angie is a patient and the caregiver of a child with a complex medical history. She is a Patient Partner with The Ottawa Hospital, Patients for Patient Safety Canada, and is the Chair of the Family Advisory Council at CHEO, the Children's Hospital of Eastern Ontario.

In her day job, she is a Patient Partnership Lead with Health Standards Organization and supports patient partnership and engagement in the development of standards. She has a background in gerontology and psychology and a keen interest in healthcare quality and patient safety. She champions patient partnership and patient leadership in organizational and systems-level healthcare improvement initiatives.
