GUIDELINES FOR LIGHTNING TALK PRESENTERS

➤ Registration:

Presenting authors **MUST** register and pay for the conference by **Wednesday 10 June 2026**, to present and have their abstract published in the final programme. Click [HERE](#) to register now. The location of your presentation will be published in the final programme, which will be published in the Conference App.

➤ Presentation Length:

You have been allocated a **7-minute lightning talk presentation**. 18 minutes will be allocated at the end of the session after all presentations have taken place to allow for questions and audience discussion.

➤ Preparation:

You will have to produce an **electronic poster (1 slide PowerPoint Portrait format)** as supporting material. Further guidelines on how to submit your material will be sent in August.

Please note that it is **mandatory** to have your poster number / final ID (e.g. P123) at the top right of your poster.

A template can be found [Here](#)

➤ Session Chair:

The chairperson of your session will be in contact before the conference to introduce themselves. Please meet the session chairperson at your presentation area **at least ten (10) minutes before your session starts**.

➤ Rules and Regulations:

All presentations must be made in English. The use of an interpreter is not permitted.

Please ensure there is no material within your presentation which could be seen as marketing a commercial product or Programme.

➤ Waiver

Submission constitutes your consent to the publication of your session outline and any presentation. **Please inform us if you do not wish your presentation to be posted** on the ISQua website following the conference.

We look forward to meeting you in Dublin and remain available for any further information you may require.

On behalf of the ISQua's Dublin Scientific Programme Committee,

Kind regards,
